

### JK Paper September quarter net profit up 29% to ₹57 crore

JK Paper on Monday reported 28.82 per cent increase in stand-alone net profit to ₹56.63 crore for the quarter ended on September 30, 2017, helped by improved operating efficiencies and lower finance costs. It had posted a net profit of ₹43.96 crore in the July-September quarter a year-ago, JK Paper said in a statement. However, its total income from operations during the period under review was down 6.90 per cent to ₹677.86 crore as against ₹728.16 crore of the corresponding quarter last financial year. PTI
